CRIMINAL OFFENSES

My experience as a former prosecutor and criminal defense attorney enables me to identify the strengths in your case and use them to your advantage.

Our strategy is to plead Not Guilty, force the prosecutors to prove their case, and prepare for trial.

A plea bargain is our last resort.

IMPAIRED DRIVING

My job is to help the judge find you Not Guilty at trial.

Our goals are to keep you from being convicted, keep you out of jail, and keep you driving.

Wake County has special prosecutors trained to get convictions in D.W.I. cases.

You need a Specialist to fight for your rights.

TRAFFIC TICKETS

I have resolved over 10,000 traffic violations and would like to help you.

Our goals are to avoid an insurance fee increase and keep you from losing your license. We can go to court for you so you don't have to go.

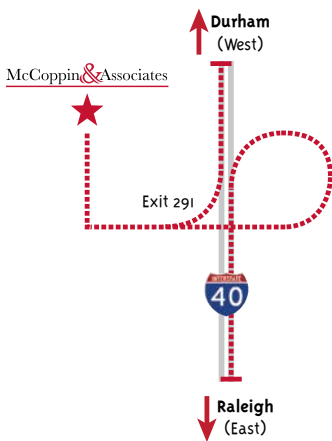

If we can't save you money, we will refund our attorney fee.

FEDERAL CRIMES

Many federal charges begin in state court usually requiring two different lawyers.

As a federal and state criminal law specialist, I can begin your case in state court and finish with your federal court trial.

Hiring one experienced attorney can improve your results and save you money.

From I-40, take Exit 291 - Cary Towne Blvd. - toward Cary. Turn Right on S.E. Maynard Road. Drive 1/2 mile to the Maynard. Office Center is on your right.
